## Group Biography:

Our vocal group consists of three guys and two lovely gals who sing simply because we love to share our music with others, and hope that our voices and melodies bring “Fond Memories” to those who

listen. Our singers provide an array of music from across the music genres; from Sinatra to Streisand, Cline to Cole, 50's to 80's, Rock & Roll to Country, Huge hits to One-hit wonders, music to melt your heart...to music that gets the heart pumping! If you are a music lover you will simply enjoy traveling down the “Fond Memories” Lane with us!

Our vocal talents are enhanced with high-quality background MP3 music which provides a full sound and body under the supervision of our own sound technician. Fond Memories is an all-volunteer group that performs at Nursing Homes, Senior Centers, Assisted Living Facilities, and a variety of venues in the area to share the true universal language that is music. Our group is proud to be affiliated with Tidewater Arts Outreach (TAO) as a listed “local performing artist”, and more information on our group can be found by visiting our Facebook page Vocal Group Fond Memories. We hope you will come join us for this joyful journey, as we melodically tell our story of days gone by!

We hope you can join us on Saturday, April 6, 2019 beginning at 7:00 p.m., and share music from all era's that bring back many “**Fond Memories**” in Music!
